11/21/05            R03-10-003            Order Instituting Rulemaking to Implement Portions of AB117 concerning Community Choice Aggregation.

**Summary:** **LATE FILED.** On November 9, 2005, David Orth, General Manager of Kings River Conservation District (KRCD), met with Rami Kahlon, advisor to Cmmr. Peevey, in San Francisco. Also present was John Dalessi, Associate Director at Navigant Consulting, Inc. Orth explained that KRCD is seeking to improve reliability in and around its service area by building new electric generation facilities. Orth explained that KRCD has executed a memorandum of understanding with twelve local governments to develop a regional Community Choice Aggregation (CCA) program that would be supplied in large part by new generation owned by KRCD. Orth expressed general support for the proposed decision (PD) of ALJ Malcolm. Dalessi expressed concern with one aspect of the PD that would leave the CCA with little recourse in the event of nonpayment by customers.
